Defendant-Appellant

v.

Case No. 16-cv-108-PB

United States of America

**Motion to Strike Government's Untimely Response and to
Reconsider and Amend Court's November 29, 2018 Order**

On October 2, 2018 Ms. Biron mailed her Motion to Extend Time to File an Appeal. The Government did not object, and on October 25, 2018 this Court ordered the Government to respond within 14 days (by November 8, 2018).

On or about November 27, 2018, Ms. Biron caused an email to be sent to AUSA Seth Aframe inquiring about the Government's contravention of the Court's order to respond. Consequently, on November 28, 2018, the Government filed its response (20 days late).

On November 29, 2018, this Court denied Ms. Biron's Motion "for the reasons set forth in the government's response."

Wherefore, Ms. Biron moves the Court to strike the untimely response, address the arguments set forth in her Motion (ignored by the Government), and reconsider and amend its denial of her Motion, and grant such other relief as is just and equitable.

Respectfully submitted
